

Who We Are: BronxWorks is a multi-service organization and settlement house that was founded in 1972. Our mission is to help individuals and families improve their economic and social wellbeing. From toddlers to seniors, we feed, shelter, teach, and support our neighbors to build a stronger community. Our staff reflects the diversity of the people we serve and speaks more than 15 languages. Each year BronxWorks assists over 40,000 Bronx residents across 33 locations.

Helping Individuals Gain Access to Resources: Whether families or individuals are faced with a short or long term crisis, BronxWorks is prepared to help with needed information and resources. We offer:

- Easily accessible walk-in information and referral offices with staff that can help resolve a host of matters
- Assistance with applying for Food Stamps, public health insurance programs, and other government supports
- Referrals for housing, financials, or legal counseling

Helping Immigrants Resolve Problems: The Bronx is home to immigrants from all over the world. BronxWorks offers:

- Legal assistance and advocacy in preparing documents pertaining to citizenship, entitlements, work permits, and other immigration matters
- English as a Second Language and citizenship classes
- Family literacy and parent education services

Helping Children and Families Grow: BronxWorks maintains programs that prepare children and families for a bright future, including:

- Accredited Early Childhood Learning Centers
- Child development and parent education programs, giving parents the tools to be their child's first teacher
- After-school and summer camp programs
- Teen programs that focus on academic enrichment, leadership development, workforce preparation, artistic self-expression, and college readiness
- Family preservation programs designed to strengthen families and keep children out of the foster care system

Helping Residents Facing Homelessness: BronxWorks has helped individuals and families avoid homelessness for nearly 40 years. In the last 20 years, we have played a decisive role in moving previously homeless individuals or families into permanent housing. Our efforts include:

- A network of eviction prevention programs designed to keep people in permanent housing and out of the shelter system
- A continuum of service for street homeless persons that entails outreach, a drop-in center and safe haven assistance, and supportive housing
- Three homeless family shelters that provide a variety of on-site services and placement into permanent housing

Helping Seniors Lead Active and Independent Lives: We encourage Bronx residents ages 60 and over to remain healthy, active, independent, and connected to their communities. Our services include:

- Hot, nutritious meals
- Cultural, educational, and recreational activities plus trips and celebrations
- Help with housing problems and minor repair assistance
- Mental health and elder abuse counseling

Helping People Affected by HIV/AIDS and Chronic Disease: Our Positive Living services foster independence among individuals impacted by HIV/AIDS and other chronic illnesses with:

- Case management and housing placement assistance
- Supportive services for families
- Harm reduction and nutrition services
- Education, outreach, and prevention services

Helping Bronx Residents Enter the Workforce: Whether making the transition from welfare to work or looking to change careers, Bronx residents can enhance their employment skills through:

- Employment counseling, help with resume writing, and interview practice
- Referrals to adult education, ESL classes, and short term skills training
- Job placement, internship and job retention services
