The Challenge

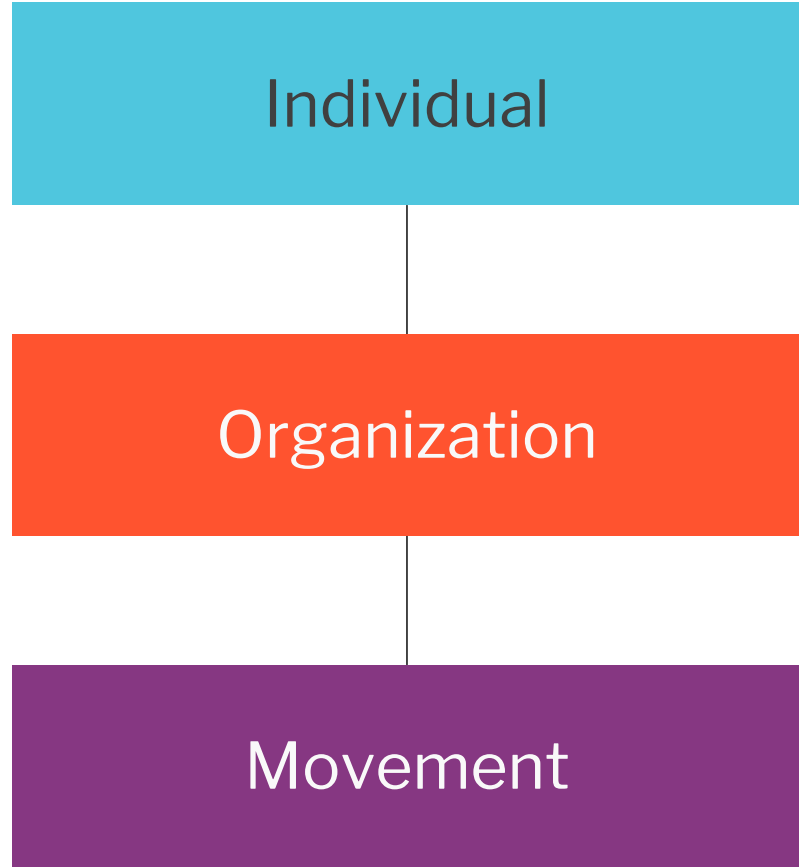

The image is a composite background. In the foreground, several bright yellow sunflowers with dark brown centers are in focus. Behind them, a large suspension bridge with a dark metal lattice structure spans across the frame. In the far background, a city skyline with various skyscrapers is visible under a blue sky with scattered white clouds. The overall scene is slightly desaturated, giving it a muted, artistic feel.

The Opportunity

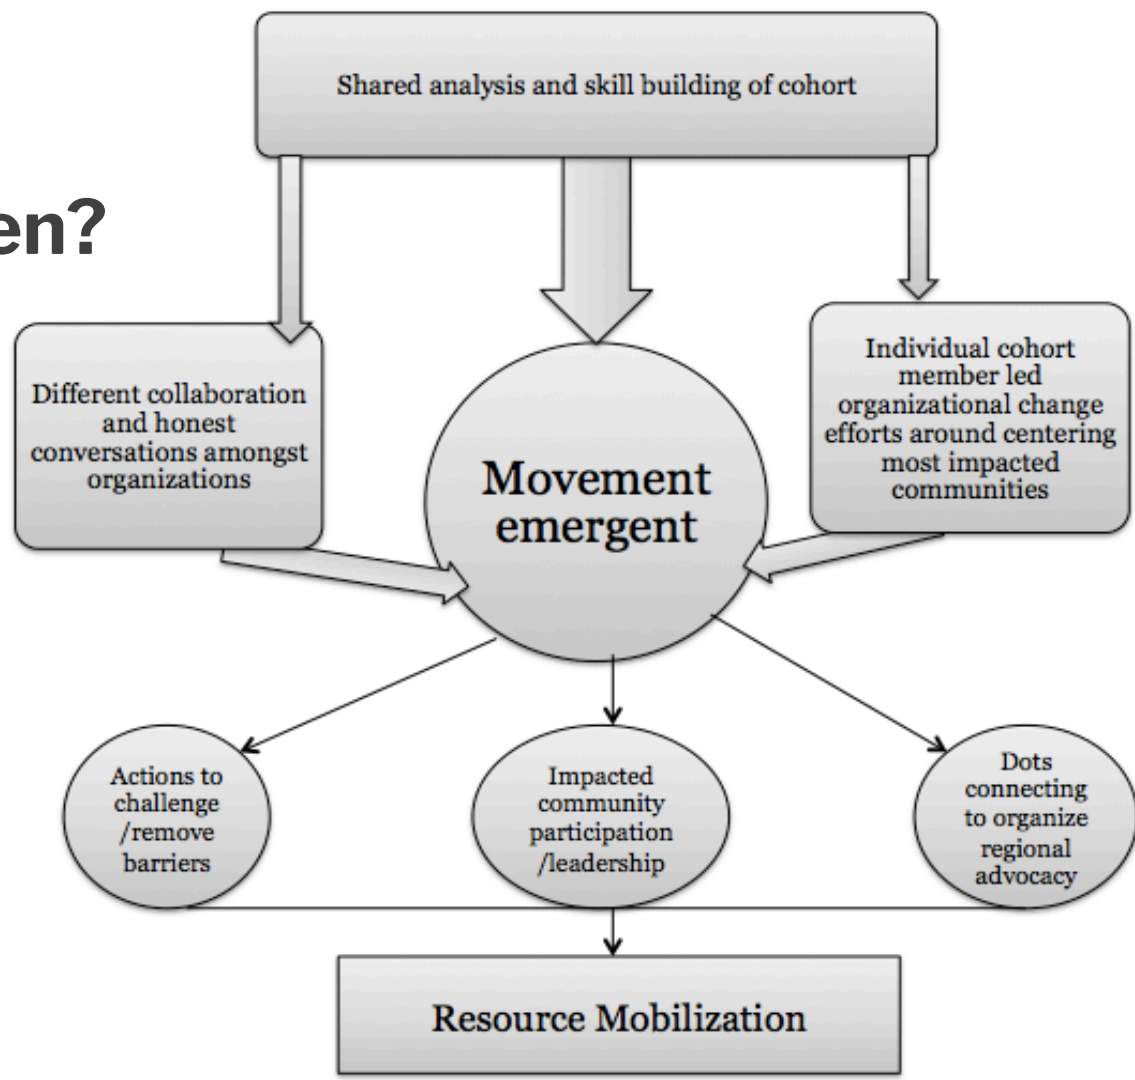

A group of 12 people, including men and women of various ages, are posed for a group photograph. They are standing in front of a wall made of corrugated metal sheets. A large mural is painted on the wall behind them, depicting a scenic landscape with rolling hills, a body of water, and a sky with birds. The entire image is overlaid with a semi-transparent, light-colored filter. The text 'The Opportunity' is centered at the top in a large, white, sans-serif font.

What is Seeding Power?

18-month cohort-based fellowship for nonprofit leaders in NYC, Hudson Valley, and Long Island.

How will this change happen?
